HISPANIC MOTORCOACH COUNCIL

The Hispanic Motorcoach Council (HMC) endeavors to promote the continued growth, fellowship, and development of the Hispanic business community in the motorcoach industry.

GOALS

The Council's goal is to make sure that the HMC membership is kept abreast of developments within the industry, and delivers the tools that allow members to implement

short-term actions and establish long-term strategies and successes. In short, HMC is here to help you build your business!

RESOURCES

As a member of the HMC, you are entitled to a variety of benefits that will serve your unique needs: a legislative voice, regulatory watchdog activities, money-saving services, connections to

other operators and suppliers, regular communications, an annual meeting, specialized safety training and much more.

MEMBERSHIP

The HMC membership is comprised of predominately Spanish speaking and dedicated professional individuals, business owners and affiliated personnel who have a common interest

in providing the highest quality and safest possible motorcoach service to all passengers and are interested in working with the ever-growing Hispanic business community in the motorcoach industry throughout the United States.

EVENTS

HMC is your forum for safety, compliance, networking and education. Join other motorcoach company owners, government officials, representatives from the motorcoach

manufacturers, providers of affiliated services, and the top safety professionals in the motorcoach industry to discuss issues of importance to your business.
